## Exclusive Sponsorship Request for the 2026 ISDS Meeting

Skeletal dysplasias encompass more than 400 genetic conditions. Though individually rare, they affect approximately 1 in 5000 individuals and require complex, personalized care, ranging from adaptive equipment to emerging therapies aimed at improving quality of life.

### About the Conference

The next International Skeletal Dysplasia Society (ISDS) meeting will be held in Toronto, Canada, from August 26–29, 2026. Founded nearly 30 years ago, the ISDS is a non-profit society of 300 members worldwide, dedicated to advancing scientific progress and uniting leading specialists in skeletal dysplasias.

### Our Conference Objectives:

1. **Advance Characterization:** Highlight recent progress in clinical, radiological, genetic, biochemical, and molecular understanding of skeletal dysplasias, including updates on classification and newly discovered genes.
2. **Explore Pathogenic Mechanisms:** Discuss fundamental research using cellular and animal models to uncover disease biology and mechanisms.
3. **Improve Diagnosis:** Address challenges and innovations in diagnosing skeletal dysplasias across all ages, with emphasis on integrated approaches and prenatal/lethal forms.
4. **Share Clinical Insights:** Present findings from large cohort studies, focusing on long-term outcomes, natural history, and phenotype expansion.
5. **Enhance Management & Treatment:** Promote multidisciplinary care strategies and review current and emerging therapies, including ethical considerations and access to treatment.

### Why Sponsor the 17th ISDS Meeting?

The ISDS meeting consistently draws approximately 250 international experts in skeletal dysplasias, including clinical geneticists, radiologists, pediatricians, endocrinologists, rheumatologists, orthopedic surgeons, and researchers.

Sponsoring this event offers your organization a unique opportunity to engage directly with a highly specialized audience of healthcare professionals and decision-makers dedicated to advancing care and research in this field.

#### As a sponsor, you will:

- **Gain exclusive marketing exposure** before, during, and after the event.
- **Network** with key decision-makers, industry leaders, and innovators.
- **Showcase your products and services** to a highly targeted audience.
- **Reinforce your leadership position** in skeletal dysplasia research, rehabilitation, and care.

### Sponsorship Opportunities

Our sponsorship packages are designed to support your marketing and business goals – whether you're launching a new product, expanding your reach, or increasing brand visibility. We offer flexible options and can customize a package to meet your specific needs.

We value the continued support of past sponsors and look forward to welcoming new partners for a lasting collaboration.

**Join Us in Shaping the Future of Care for Skeletal Dysplasias!**
